## Wholesale Trade's Middle Market Perspectives on Government Services WHOLESALE TRADE'S MIDDLE MARKET COMPARED TO THE U.S. MIDDLE MARKET

economy. But it is often stuck in the middle: too big to qualify for special services or to be exempt from regulations, and too large to field government-affairs teams at seats of government. The National Center for the Middle Market therefore took an IMPORTANCE OF GOVERNMENT FUNCTIONS TO BUSINESS OPERATIONS

The U.S. middle market is the fastest growing segment of the

to evaluate the quality and impact of the government services they receive. This data shows how wholesale trade's middle market view of government services compares to the view of the U.S. middle market as a whole.

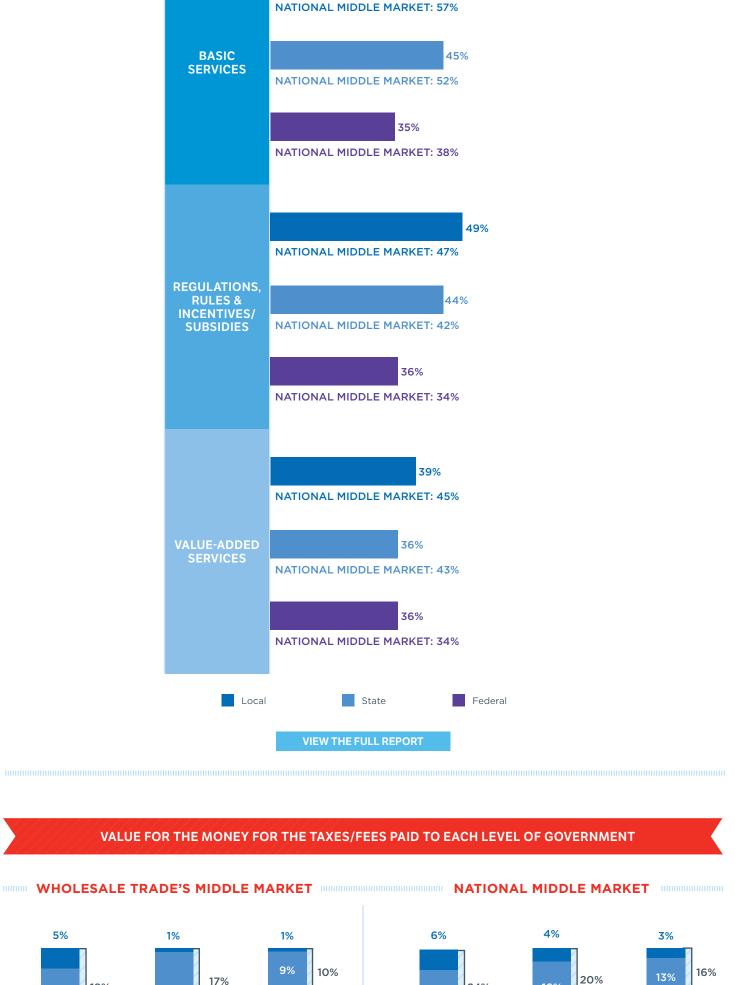

election-year opportunity to ask middle market executives
